AMTRAK BICYCLE POLICIES

Amtrak offers four options for transporting bicycles:

Carry-On Bicycle Service:

- Standard full-size bicycles may be carried on and stored onboard in designated bicycle racks on select certain trains (50 pounds max weight)
- On trains with unreserved carry-on bicycle service, racks are available at a first-come, first-serve basis.
- When the racks are full, bikes will no longer be accepted onboard

Boxed Bicycles in Checked Baggage:

- Bicycles may be checked on Amtrak between all cities where checked baggage is offered
- The fee for checking a bike as baggage is \$10
- Bicycle boxes are sold at most staffed locations for \$15 per box - Customers may also supply their own bicycle container
- Checked baggage limit of 50 pounds and 70" x 41" x 8.5"

Trainside Checked Bicycle Service:

- Standard full-size bicycles may be transported in bicycle racks located in the baggage car - Amtrak personnel will store and secure your bike
- Trainside checked baggage service is only available at select stations
- Advance reservations are required - \$20 Bicycle fee
- 50 pounds max weight and 2 inch maximum tire width

Folding Bikes Brought Aboard as Carry-On Baggage:

- Folding bicycles under the dimensions of 34" x 15" x 48" (860 x 380 x 1120 mm) will be allowed onboard all trains in lieu of a piece of carry-on baggage
- Only certain passenger cars can accommodate folding bicycles as carry-on baggage, otherwise they must be checked (where available)
